

We Want to Hear from You!

Rappahannock Area Health District and the Mary Washington Healthcare are joining forces to conduct a comprehensive Community Health Assessment (CHA) for our region.

An important piece of the CHA is a health needs survey. To provide a deeper understanding of our communities' health needs and how we can best address them, input from the public is critical. We would like to hear from you. Please tell us what you need to live a healthier life. Scan this QR code to take you directly to the survey.

Thank you!

A quick three to five minute survey.
